for Manufacturers and Distributors

Insurance Products & Services

## **Aronov Insurance protects manufacturers and distributors throughout the Southeast.**

*Today, business owners must cope with new risks and widening exposure.*

*Aronov Insurance can help meet the challenges of a changing industry by providing products and services to manufacturers and distributors. Offering a variety of **solutions to help clients manage their total cost of risk and become more profitable.***

Aronov recognizes today's manufacturing business is highly competitive and the need to reduce costs and increase profits is key to the success of your business. Our professionals will work with you to identify your risks and exposures and to develop and administer a cost effective risk management program.

**Develop and administer a cost effective risk management program.**

By focusing on both pre-loss and post-loss issues, our risk solutions make you more successful by focusing on a long term reduction in the total cost of risk. And if you are planning on or are involved in international trade, we have the products and services available to access the comprehensive international coverages not covered by your domestic program including U.S. customs bonds, cargo insurance, foreign property, general liability and auto coverage, even kidnap and ransom and political risk insurance. We can also assist you in obtaining foreign credit insurance through the EX-IM Bank program and arrange access to the ATA Carnet program used to simplify the movement of commercial samples and professional equipment between and among over 75 participating countries.
